AMENDED IN ASSEMBLY MAY 6, 2014

CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 2264

Introduced by Assembly Member Levine

February 21, 2014

An act to ~~add Section 1220.1 to the Health and Safety Code, relating to clinics; amend Sections 13955 and 13957 of the Government Code, and to amend Sections 600.2 and 600.5 of the Penal Code, relating to victim compensation, and making an appropriation therefor.~~

LEGISLATIVE COUNSEL'S DIGEST

AB 2264, as amended, Levine. ~~Clinics: licensure and regulation: exemptions. Victim compensation: guide, signal, or service dogs.~~

Existing law provides for the compensation of victims and derivative victims of certain crimes by the California Victim Compensation and Government Claims Board from the Restitution Fund, a continuously appropriated fund, for specified losses suffered as a result of those crimes. Existing law establishes limits on the amount of compensation the board may award, and sets forth eligibility requirements for compensation, including, among others, that the victim or derivative victim suffer physical injury or emotional injury and a threat of physical injury, as specified.

Under existing law, it is an infraction or a misdemeanor for any person to permit any dog which is owned, harbored, or controlled by him or her to cause injury to or the death of any guide, signal, or service dog, as defined, while the guide, signal, or service dog is in discharge of its duties. Existing law makes any person who intentionally causes

injury to or the death of any guide, signal, or service dog, as defined, while the dog is in discharge of its duties, guilty of a misdemeanor. Under existing law, if a defendant is convicted of either of these crimes, the defendant is required to make restitution to the person with the disability who has custody or ownership of the dog for any veterinary bills, replacement costs of the dog, or other reasonable costs deemed appropriate by the court if the dog is disabled or killed.

This bill would provide that persons with a disability whose guide, signal, or service dog is disabled or killed due to either of the crimes described above are eligible for compensation from the Restitution Fund if the defendant is unable to make restitution.

By expanding the authorization for the use of moneys in the Restitution Fund, a continuously appropriated fund, this bill would make an appropriation.

~~Existing law provides for and regulation the licensure, of clinics, as defined, by the State Department of Public Health. Under existing law, specified types of clinics are exempted from these licensing provisions, including a clinic that is conducted, maintained, or operated by a federally recognized Indian tribe and is located on land recognized as tribal land by the federal government.~~

~~This bill would require the department to negotiate with any federally recognized tribe for a program under which the tribe would be responsible for carrying out the department's duties regarding the licensing and regulation of certain primary care clinics if the tribe and the clinic meet specified requirements.~~

Vote: ~~majority~~^{2/3}. Appropriation: ~~no~~-yes. Fiscal committee: yes. State-mandated local program: no.

21 became necessary as a direct result of the crime.

22 (2) Subject to the limitations set forth in Section 13957.2,
23 reimburse the amount of outpatient psychiatric, psychological, or
24 other mental health counseling-related expenses incurred by the
25 victim or derivative victim, including peer counseling services

27 the Penal Code, and including family psychiatric, psychological,
28 or mental health counseling for the successful treatment of the
29 victim provided to family members of the victim in the presence
30 of the victim, whether or not the family member relationship
31 existed at the time of the crime, that became necessary as a direct
32 result of the crime, subject to the following conditions:

33 (A) The following persons may be reimbursed for the expense
34 of their outpatient mental health counseling in an amount not to
35 exceed ten thousand dollars (\$10,000):

36 (i) A victim.

37 (ii) A derivative victim who is the surviving parent, sibling,
38 child, spouse, fiancé, or fiancée of a victim of a crime that directly

A derivative victim of a crime committed in violation of subdivision (d) of Section 261.5 of the Penal Code shall not be eligible for reimbursement of mental health counseling expenses.

(iii) A minor who suffers emotional injury as a direct result of witnessing a violent crime and who is not eligible for reimbursement of the costs of outpatient mental health counseling under any other provision of this chapter. To be eligible for reimbursement under this clause, the minor must have been in close proximity to the victim when he or she witnessed the crime.

(C) The board may reimburse a victim or derivative victim for outpatient mental health counseling in excess of that authorized by subparagraph (A) or (B) or for inpatient psychiatric, psychological, or other mental health counseling if the claim is based on dire or exceptional circumstances that require more extensive treatment, as approved by the board.

(D) Expenses for psychiatric, psychological, or other mental health counseling-related services may be reimbursed only if the services were provided by either of the following individuals:

(i) A person who would have been authorized to provide those services pursuant to former Article 1 (commencing with Section 13959) as it read on January 1, 2002.

(ii) A person who is licensed by the state to provide those services, or who is properly supervised by a person who is so

1 licensed, subject to the board's approval and subject to the
2 limitations and restrictions the board may impose.

7 authorize compensation equal to the loss of income or loss of
8 support, or both, that a victim or derivative victim incurs as a direct
9 result of the victim's or derivative victim's injury or the victim's
10 death. If the victim or derivative victim requests that the board
11 give priority to reimbursement of loss of income or support, the
12 board may not pay medical expenses, or mental health counseling
13 expenses, except upon the request of the victim or derivative victim
14 or after determining that payment of these expenses will not
15 decrease the funds available for payment of loss of income or
16 support.

17 (5) Authorize a cash payment to or on behalf of the victim for
18 job retraining or similar employment-oriented services.

19 (6) Reimburse the claimant for the expense of installing or

21 (\$1,000). Reimbursement shall be made either upon verification
22 by law enforcement that the security measures are necessary for
23 the personal safety of the claimant or verification by a mental
24 health treatment provider that the security measures are necessary
25 for the emotional well-being of the claimant. For purposes of this
26 paragraph, a claimant is the crime victim, or, if the victim is
27 deceased, a person who resided with the deceased at the time of
28 the crime. Installing or increasing residential security may include,
29 but need not be limited to, both of the following:

30 (A) Home security device or system.

31 (B) Replacing or increasing the number of locks.

32 (7) Reimburse the expense of renovating or retrofitting a
33 victim's residence or a vehicle, or both, to make the residence, the
34 vehicle, or both, accessible or the vehicle operational by a victim
35 upon verification that the expense is medically necessary for a
36 victim who is permanently disabled as a direct result of the crime,
37 whether the disability is partial or total.

38 (8) (A) Authorize a cash payment or reimbursement not to
39 exceed two thousand dollars (\$2,000) to a victim for expenses
40 incurred in relocating, if the expenses are determined by law

1 enforcement to be necessary for the personal safety of the victim
2 or by a mental health treatment provider to be necessary for the
3 emotional well-being of the victim.

4 (B) The cash payment or reimbursement made under this
5 paragraph shall only be awarded to one claimant per crime giving
6 rise to the relocation. The board may authorize more than one
7 relocation per crime if necessary for the personal safety or
8 emotional well-being of the claimant. However, the total cash
9 payment or reimbursement for all relocations due to the same crime
10 shall not exceed two thousand dollars (\$2,000). For purposes of
11 this paragraph a claimant is the crime victim, or, if the victim is
12 deceased, a person who resided with the deceased at the time of
13 the crime.

14 (C) The board may, under compelling circumstances, award a
15 second cash payment or reimbursement to a victim for another
16 crime if both of the following conditions are met:

17 (i) The crime occurs more than three years from the date of the
18 crime giving rise to the initial relocation cash payment or
19 reimbursement.

20 (ii) The crime does not involve the same offender.

21 (D) When a relocation payment or reimbursement is provided
22 to a victim of sexual assault or domestic violence and the identity
23 of the offender is known to the victim, the victim shall agree not
24 to inform the offender of the location of the victim's new residence
25 and not to allow the offender on the premises at any time, or shall
26 agree to seek a restraining order against the offender.

27 (E) Notwithstanding subparagraphs (A) and (B), the board may
28 increase the cash payment or reimbursement for expenses incurred
29 in relocating to an amount greater than two thousand dollars
30 (\$2,000), if the board finds this amount is appropriate due to the
31 unusual, dire, or exceptional circumstances of a particular claim.

32 (9) When a victim dies as a result of a crime, the board may
33 reimburse any individual who voluntarily, and without anticipation
34 of personal gain, pays or assumes the obligation to pay any of the
35 following expenses:

36 (A) The medical expenses incurred as a direct result of the crime
37 in an amount not to exceed the rates or limitations established by
38 the board.

1 (B) The funeral and burial expenses incurred as a direct result
2 of the crime, not to exceed seven thousand five hundred dollars
3 (\$7,500).

4 (10) When the crime occurs in a residence, the board may
5 reimburse any individual who voluntarily, and without anticipation
6 of personal gain, pays or assumes the obligation to pay the
7 reasonable costs to clean the scene of the crime in an amount not
8 to exceed one thousand dollars (\$1,000). Services reimbursed
9 pursuant to this subdivision shall be performed by persons
10 registered with the State Department of Public Health as trauma
11 scene waste practitioners in accordance with Chapter 9.5
12 (commencing with Section 118321) of Part 14 of Division 104 of
13 the Health and Safety Code.

14 *(11) When the crime is a violation of Section 600.2 or 600.5 of*
15 *the Penal Code, reimburse the expense of veterinary services,*
16 *replacement costs, or other reasonable expenses, as ordered by*
17 *the court pursuant to Section 600.2 or 600.5 of the Penal Code.*
18 *This paragraph shall apply only if the defendant is unable to make*
19 *restitution to the victim.*

20 (b) The total award to or on behalf of each victim or derivative
21 victim may not exceed thirty-five thousand dollars (\$35,000),
22 except that this amount may be increased to seventy thousand
23 dollars (\$70,000) if federal funds for that increase are available.

24 *SEC. 3. Section 600.2 of the Penal Code is amended to read:*

25 600.2. (a) It is a crime for any person to permit any dog which
26 is owned, harbored, or controlled by him or her to cause injury to
27 or the death of any guide, signal, or service dog, as defined by
28 Section 54.1 of the Civil Code, while the guide, signal, or service
29 dog is in discharge of its duties.

30 (b) A violation of this section is an infraction punishable by a
31 fine not to exceed two hundred fifty dollars (\$250) if the injury or
32 death to any guide, signal, or service dog is caused by the person's
33 failure to exercise ordinary care in the control of his or her dog.

34 (c) A violation of this section is a misdemeanor if the injury or
35 death to any guide, signal, or service dog is caused by the person's
36 reckless disregard in the exercise of control over his or her dog,
37 under circumstances that constitute such a departure from the
38 conduct of a reasonable person as to be incompatible with a proper
39 regard for the safety and life of any guide, signal, or service dog.
40 A violation of this subdivision shall be punishable by imprisonment

1 in a county jail not exceeding one year, or by a fine of not less
2 than two thousand five hundred dollars (\$2,500) nor more than
3 five thousand dollars (\$5,000), or both. The court shall consider
4 the costs ordered pursuant to subdivision (d) when determining
5 the amount of any fines.

6 (d) In any case in which a defendant is convicted of a violation
7 of this section, the defendant shall be ordered to make restitution
8 to the person with a disability who has custody or ownership of
9 the guide, signal, or service dog for any veterinary bills and
10 replacement costs of the dog if it is disabled or killed, or other
11 reasonable costs deemed appropriate by the court. The costs
12 ordered pursuant to this subdivision shall be paid prior to any fines.
13 *If the defendant is unable to make restitution, the person with the*
14 *disability may apply for compensation by the California Victim*
15 *Compensation and Government Claims Board pursuant to Chapter*
16 *5 (commencing with Section 13950) of Part 4 of Division 3 of Title*
17 *2 of the Government Code.*

18 SEC. 4. Section 600.5 of the Penal Code is amended to read:

19 600.5. (a) Any person who intentionally causes injury to or

22 is guilty of a misdemeanor, punishable by imprisonment in a county
23 jail not exceeding one year, or by a fine not exceeding ten thousand
24 dollars (\$10,000), or by both a fine and imprisonment. The court
25 shall consider the costs ordered pursuant to subdivision (b) when
26 determining the amount of any fines.

27 (b) In any case in which a defendant is convicted of a violation
28 of this section, the defendant shall be ordered to make restitution
29 to the person with a disability who has custody or ownership of

33 subdivision shall be paid prior to any fines. *If the defendant is*
34 *unable to make restitution, the person with the disability may apply*
35 *for compensation by the California Victim Compensation and*
